MEN'S PROBUS CLUB of NEWMARKET

Our Club was established in June of 1991.

Members reside Newmarket and surrounding communities.

Most months we arrange a thought-provoking speaker, whose presentation will be of interest to our members. In addition, often one of our members will give a brief history of his life and interests. This helps to promote fellowship among our members.

Frequently our programs may appeal to our life partners and we invite them to join us. Our annual November 'Christmas' gala is an occasion when our partners are always heartily welcomed.

Gentlemen wishing to look us over before making an application are welcome to attend any meeting without charge. A fillable PDF application is available at: <https://www.mensprobusclubofnewmarket.ca/contact-us.html>

Our club meets informally once a month from 10:00 am to noon throughout the year in Newmarket with often an optional luncheon at a local venue after the meeting. There is no mandatory attendance requirement.
