5. Who Am I?

Treasurer **Rob Vernon** outlined a life of service to our Town and Region. For 37 ½ years, Rob worked behind the scenes, eventually as senior clerk for the County and then the Region, with major responsibilities for the work of the elected representatives.

On retirement, he has used his skills with a number of local groups, such as VPAN, Southlake Hospital and our own Club, serving over the years in many positions.

In retirement, he has pursued an interest in the genealogy of the Vernon family. Among many most interesting connections, he believes that he is descended from William of Normandy, whom we all know as William the Conqueror, whose invasion of Anglo Saxon England in 1066 was a major turning point in History.

6. Speaker

Naqi Ahsan introduced **Phillip Solomon**, General Manager of Tourcan Vacations and who arranges tours of South Africa. In a spectacular slide show, professionally presented, the audience was treated with a splendid tour, including historical sites, introduction to local cuisine, scenery, and the experience of a wildlife safari. Dave Brisley thanked him on our behalf, and announced that Mr. Solomon asked that his honorarium be given to Food Banks Canada on his behalf.

7. Adjournment Approximately 12:20
