

A Message from the President – March 27th, 2020

I want to reach out to you, friends and fellow Probians, in this extraordinary time. This is a surreal experience for all of us like no other in the past. I want to make sure you and your family are safe and doing alright. Should you need somebody to talk to just to catch up or otherwise, remember your PROBUS family is here for you.

We have established a Call Tree with several Leads who will be calling each and every member. The purpose of the call is to touch base, chat, rant, whatever is appropriate at the time. We will be doing this on a regular basis until this crisis is over.

The April 15th General Meeting is cancelled. The May 20th meeting is doubtful at this time; a final decision will be made in late April. The golf tournament scheduled for June 10th is also cancelled.

We are in this together. Let us practice social distancing, recommended personal hygiene to keep you and your family as well as everyone around you safe.

Together we will overcome this.

I look forward to seeing you soon. Take care.

Thank you.

Sunny Lau
