NEWMARKET MEN'S PROBUS CLUB

Our Club was established in June of 1991.

Members reside in communities such as Newmarket, Aurora, King City, East Gwillimbury and surrounding areas.

Each month we arrange a thought-provoking speaker, whose presentation will be of interest to our members. In addition, often one of our members will give a brief history of his life and interests. This helps to promote fellowship among our members.

Frequently our programs may appeal to our life partners and we invite them to join us. Our annual November 'Christmas' gala luncheon is an occasion when our partners are always heartily welcomed.

Gentlemen wishing to look us over before making an application are welcome to attend any meeting without charge.

Our club meets informally once a month from 10:00 am to noon throughout the year at Newmarket. There is no mandatory attendance requirement.
